

HangTon - Conector de metal para montaje de cables (enchufe industrial eléctrico) Male

| Type                 | HR10A-7P         |       | HR10A-10P |        |
|----------------------|------------------|-------|-----------|--------|
|                      | Pins no          |       |           |        |
| Specification        | 4 Pin            | 6 Pin | 10 Pin    | 12 Pin |
| A(mm)                | 35               |       | 43        |        |
| B(mm)                | 11               |       | 15        |        |
| C(mm)                | 7                |       | 9.5       |        |
| D(mm)                | 5                |       | 7         |        |
| Contact diameter(mm) | 0.6              |       |           |        |
| Resistance(mΩ)       | 10               |       |           |        |
| Rated current(A)     | 2                |       |           |        |
| Rated voltage(V)     | AC 200V, DC 300V |       |           |        |
| Test voltage(V)      | AC 500V, DC 900V |       |           |        |
| Work temperature     | -55℃ — +125℃     |       |           |        |
